# Directions

1. Cut 5x14 cm swatch
2. Draw lines as shown
3. Cut out the two 2x2 cm squares
4. Cut corner slits for the two squares
5. Fit one side onto unused PMT and put unused PMT through collar
6. Tape one side down, pull unused PMT out of collar/swatch, tape rest of swatch to the collar
7. Put used PMT through collar/swatch and insert/screw in brace with minimal ripping to the swatch
8. Clean PMT pixel surface with alcohol soaked tissue
9. Install PMT/collar
